

Summertime Fun at Jazzercise!

I have some awesome news for our Jazzer-family – thanks to the City of Tustin **we're getting brand new floors at the Tustin Area Senior Center!** Woo hoo! The work will begin in June and the city has graciously afforded us not one but TWO temporary locations to continue classes uninterrupted. Good thing, too, because I have tons of summer fun planned:

- Summer raffles – winners daily, monthly and of course the GRAND PRIZE!
- Meet and Greet
- Theme weeks
- Added Body Sculpting Classes ~ after all, it's bikini season

During the “floor facelift” at the Senior Center, our **June/July class locations** will be:

Clifton C. Miller Community Center, 300 Centennial Way, Tustin, 92780

Columbus Tustin Activity Center, 17522 Beneta Way, Tustin, 92780

Plus, we're giving our class rotation a bit of a facelift, too, to better accommodate your schedules and take advantage of our newest talent: Instructor Kelli!

Pick up your Jazzercise Sizzlin' Summer Schedule at class or, as always, visit JazzWithMe.com for all the latest information!

Atomic location fans, your location will *not* change, but you're definitely included in our summer fun-time plans for raffles, theme weeks, etc. Sheli will be rockin' the Atomic center on Wednesdays in addition to her Monday/Friday classes.

THANK YOU! for all the enthusiasm and support Sheli, Kelli and I see every time, every class. We have fun every day—because of you!

Hugs,

Shawn
