## Easy Fitness Ticket

*Everything you ever wanted to know about EFT!*

### How does EFT work?

Electronic Fund Transfer (EFT), a.k.a. Easy Fitness Ticket, is an automatic deduction by Jazzercise, Inc. from your checking account. It's fast, easy and has the Jazzercise seal of security and assurance.

### When is money deducted?

Funds transfer on the first of the month. Our best value, 12 month EFT is \$45 per month (subject to change). EFT customers receive our lowest price because they have expressed their commitment to our classes.

### How many classes can I attend?

EFT is a monthly pass that gives you **unlimited classes** at all [www.JazzWithMe.com](http://www.JazzWithMe.com) locations.

### Do I really save money with EFT?

EFT customers with a 12-month commitment enjoy an annual savings of up to \$190.00 – a value of more than 3 months FREE Jazzercise!

### What if I register mid-month?

A prorated EFT payment will process on the first of the month. Our friendly Customer Service Representatives can tell you the exact amount.

## Is there a charge to re-enroll?
